Maximum Marks	2 Marks

Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I am	I'm trying to	But	Because	Which makes me feel
Doctor	know medical news updates	sometimes it creates fake news	it updates about medical and medicines invented	relief

I am	I'm trying to	But	Because	Which makes me feel
Business women	Analyze the news	It takes longer time	it updates about share and share markets	Satisfaction
